

Level 3A Evaluation

Participants must earn a minimum score of 80% of this skills test before moving on to Part B of Level 3. Failure to demonstrate any of the tasks in the primary series is an automatic incomplete.

Primary Series

- Demonstrate how to mount a horse from both the mount block and the ground.
- Demonstrate how to hold/adjust reins while walking and trotting.
- Demonstrate how an emergency dismount.

Additional Requirements:

- Demonstrate how to maneuver in a 30 ft circle in a given area.
- Demonstrate how to walk through and back through two parallel poles.
- Demonstrate how to trot through a set of at least 6 cones.
- Demonstrate how to navigate through narrow spaces.
- Explain the basic use of leg pressure and how it influences the horses' movement. (Lateral and Speed)

NOTES:
