

## Level 3B Evaluation

*Participants must earn a minimum score of 80% to earn the Level 3 certification. Failure to demonstrate any of the tasks in the primary series is an automatic incomplete.*

### Primary Series

- Demonstrate how to pick up your stirrups at all gaits
- Explain how you would handle a fellow rider that was injured

### Additional Requirements:

- Explain the basic concept of contact, describing pressure and release.
- Describe how you would handle a rear, a buck, a bolt.
- Demonstrate how to stop from the trot.
- Demonstrate how to stop from the canter.
- Demonstrate the ability to pick up all three gaits at a given points.
- Demonstrate the ability to maneuver through a small course at any given gait as directed.

NOTES:
